CUSTOM PRODUCTS

Indel B is renowned in Italy and abroad for its constant commitment to technological research and for its innovative capabilities. The availability of Indel B to develop new projects allows it to respond to various requests by creating highly customized products. The close collaboration with various commercial partners is a continuous exchange of knowledge that leads Indel B to implement its production capacity and creativity. This is evident from the long term collaborations between Indel B and the most important industrial vehicle manufacturers, the major producers of coffee machines, cold beverage distributors manufacturers and important manufacturers of appliances for kitchens.
